It is always a pleasure to do business with a gentleman. To handle the collection formed by Mr. Lee G. Agnew is doubly pleasing for not only has the relationship been mutually agreeable but the quality of the coins turned over to us has been so fine that we must compliment Mr. Agnew on his scrupulous care and good fortune.

Collectors acquiring these coins will indeed be proud owners.

## SMALL CENTS

(A set so choice it seems a shame to break it up. Mr. Agnew was exacting in his standards and particular in his selections. His preference for uncirculated gems over proofs made his work doubly difficult. Dealers have known for years that uncirculated gems are scarcer than proofs.)

Collectors should be cautioned that the choice and select coin commands considerably higher prices than catalogue listings. Recent offerings in our Cincinnati Conventian Sale and the ANA Sale bear out the contention that all choice coins are increasing in value.)

## STANDING LIBERTY QUARTERS

(It is not often that such a choice set of Quarter Dollars of the Standing Liberty Series is offered. Usually the head of Liberty is flat, the knee shows wear and the eagle's wings are not sharp. The following coins are select, sharp specimens with full, cameo heads and worth considerably more than the average uncirculated coins.)

- 461—1916. First year of issue. There are no stars on the reverse under the eagle. Uncirculated, very rare. \$110.00  
462—1917 Type I. Uncirculated. \$3.50  
463—1917-D Type I. Uncirculated. \$17.50  
464—1917-S Type I. Uncirculated. \$20.00  
465—1917 Type II. Three stars appear below the eagle on reverse. Uncirculated. \$8.50  
466—1917-D Type II. Uncirculated. \$30.00  
467—1917-S Type II. Uncirculated. \$25.00  
468—1918. Uncirculated. \$27.50  
469—1918-D. Uncirculated. \$35.00  
470—1918-S. Uncirculated. \$25.00  
471—1918 over 17-S. An unusually nice example of the exceptionally rare coin, it was purchased as uncirculated but we would not consider it strictly so. The head is not quite on a par with Mr. Agnew's gem Quarters. Still a very desirable coin and worth over \$150.00  
472—1919. Uncirculated. Full Cameo head, as the others. \$25.00  
473—1919-D. Uncirculated. \$37.50  
474—1919-S. Uncirculated. Another rarity and a gem it is, too. Collectors seeking choice Liberty Standing Quarters have a job getting full head specimens. This offering is an unusual opportunity to fill in choice sets. Certainly they will cost a bit more but the quality will more than make up for the difference. This 1919-S should bring about \$125.00  
475—1920. Uncirculated. \$9.00  
476—1920-D. Uncirculated. \$50.00  
477—1920-S. Uncirculated. \$22.50  
478—1921. Another rare gem. Uncirculated. Should bring \$85.00  
479—1923. Uncirculated. \$7.50  
480—1923-S. Uncirculated. \$55.00  
481—1924. Uncirculated. \$7.50  
482—1924-D. Uncirculated. \$4.50  
483—1924-S. Uncirculated. \$25.00  
484—1925. Uncirculated. \$4.50  
485—1926. Uncirculated. \$4.50  
486—1926-D. Uncirculated. \$2.00

## QUARTERS—HALF DOLLARS

- 487—1926-S. Uncirculated, becoming increasingly rare. This beauty should break all records for this coin. \$75.00  
488—1927. Uncirculated. \$8.50  
489—1927-D. Uncirculated. \$3.50  
490—1927-S. Uncirculated. Another gem, already very rare and becoming more so. Should break all records by bringing at least \$125.00  
491—1928. Uncirculated. \$7.50  
492—1928-D. Uncirculated. \$2.50  
493—1928-S. Uncirculated. \$7.50  
494—1929. Uncirculated. \$3.25  
495—1929-D. Uncirculated. \$4.00  
496—1929-S. Uncirculated. \$4.00  
497—1930. Uncirculated. \$4.00  
498—1930-S. Uncirculated. Last of the type. \$5.00  
499—**PLASTIC HOLDERS**—2, for the above set of Liberty Standing Quarters. Black, gold-lettered, 8¾ x 6¼. \$25.00

## WASHINGTON QUARTERS

- 500—A select set of Washington Quarters 1932-1951, all dates and mint-marks in uncirculated condition; mounted in 3 black plastic holders, each date gold lettered. There is room for 18 additional coins. Thus housed this choice set should bring \$125.00
